- **Safet Alili** - My name is Sefet ALILI, and I am 55 years of age. I come originally from North Macedonia, and have lived in Luxembourg for almost 33 years now. I came to Weiswampach as a student, and started my professional life as a bus driver. For health reasons, I had to completely change my life. Since then, I have spent much of my personal time on social projects. I have been active in a number of commissions, such as the commission for foreigners, the culture commission, and the executive commission of the football club FF Norden 02. The Luxembourgish language is one of my principal concerns: in collaboration with the Landakademie, I have organized 35 language classes. Finally, I am the president of the LëtZCare a.s.b.l. association. We have realized 3 humanitarian projects in North Macedonia, with the primary goal of helping people in need, but also to represent Luxembourg in the best possible light.
- **Nicolas “Néckel” Polfer** - Mayor and president of the commission. After 20 years abroad, we returned as a family to Luxembourg in 2018. We live at the Maulusmühle, and I am a Chemistry teacher at the Lycée Athénée in Luxembourg City. In my free time, I like to go walking in the woods, or work on house projects.
- **Barbara Venancio** - I am born in Luxembourg, and have grown up in Weiswampach. I live with my husband and my two daughters in Binsfeld. I have been working in the area of crèches for 10 years now, and currently I am the director of a crèche. My hobbies include going for walks and spending happy moments with my family.
- **Annick Arend** - I have grown up in Weiswampach, and 29 years later, I am still very attached to this village. I did my studies in Cologne, as well as a semester abroad in New York. I have worked in the social sector for 4 years now. My great passion is traveling, because nothing is more enriching to me than discovering new cultures and mindsets, to give oneself a feeling of liberty.
- **Noro Hariliva Randrianoelina** - I come from Madagascar, and am in Luxembourg since 2003. I live at Wemperhardt, and work in the maison relais in Differdange as an educator. I also do voluntary work for Trisomie 21 asbl and the Red Cross.

Chorale Sainte-Cécile Holler-Bënzelt-Bréidelt

We are

Our male choir Holler-Bënzelt-Bréidelt was founded in 1939. Thanks to a group of idealists, the choir has survived to this day. Our singers also participate in various mixed choirs, but we are also glad to present ourselves as a male choir.

We do

We sing funeral masses together with the Chorale from Weiswampach, the Chorale Heinerscheid-Fischbach-Kalborn (Hengescht-Fëschbich-Kaalber) and the Sängers van der Héid. Like that, we always have a good group together to perform more demanding pieces of music. The highlight is always the masses for the fairs (Kirmesmassen) in the various villages. We perform secular as well as religious songs, as for instance the 4th of October last year, where we performed at the museum in Binsfeld.

Are you interested?

If you would like to participate, it would be good if you have fun singing and that you have a good voice.
