Mancke Flutes

Mancke Flutes is a family business led by Tobias and Christoph Mancke. Christoph began his flute studies in 1965 with Prof. Ludwig Jann, Dortmund. Soon after, his love of music and of the flute led him to construct the instrument itself. In 1986, he produced the first Mancke headjoints.

Tobias started his music studies on the saxophone before switching to the flute. He studies with Hans-Martin Muller, WDR Radio Symphony Cologne. He is a trained toolmaker and has made tools

for (among others) Dana Sheridan, from whom he has received his training in flutemaking.

Since then, he has established his reputation for professional flute repairs and overhauls. He is active as well in head joint construction.

How to prepare the concert of students?

Everyone will have a form with his name and will give the form back to Simon or Yura or put it under the office door (B floor).

The forms will be distributed on Monday.

The professor will see all the forms and decide who will play what and when.

During your lessons with Carlo Jans, Ulla Miilmann, Birgit Ramsel-Gaal, Tilmann Dehnhard, Luisa Sello, Peter Verhoyen, or Ewa Rzeteka, Ieva Dzērve or Zrinka Ivančić Cikojević and Daniel Blumenthal (for the pianists) speak about this piece with the professors.

The form has to be given back before Wednesday at 6:00 pm.

You have to arrange yourself the rehearsals with Ewa Rzeteka, Ieva Dzērve or Zrinka Ivančić Cikojević, **only when** the program has been decided by the professors. They will have time for rehearsals during the next days.
